ARIZONA CORPORATION COMMISSION

ORIGINAL

IN THE MATTER OF THE APPLICATION OF  
DATELAND PUBLIC SERVICE CO. INC.  
FOR APPROVAL FOR A RATE INCREASE.

DOCKET NO. W-02027A-13-0470

**STAFF'S REQUEST FOR EXTENSION**

On December 26, 2013, Dateland Public Service Company ("Dateland" or "Company") filed a general rate case application with the Arizona Corporation Commission ("Commission"). On January 23, 2014, Commission Utilities Division Staff ("Staff") docketed a letter finding the application sufficient. Based on the date of sufficiency, the Staff Report in this matter is due on April 9, 2014.

During the course of its investigation and analysis of the application, Staff has come to have numerous questions regarding monies obtained by Dateland through United States Department of Agriculture ("USDA") grants that have been used to fund significant improvements to the Company's system. Staff has only recently been able to schedule a meeting with USDA representatives to explore Staff's concerns. That meeting is scheduled to be held on April 29, 2014.

Due to the substantial sums obtained through the USDA grants and the scheduling of the date for the meeting with USDA, Staff requests a procedural order extending the date for the filing of the Staff Report by 61 days to June 9, 2014. Staff has communicated with representatives of the Company and is informed that the Company does not object to granting Staff's requested extension.

RESPECTFULLY SUBMITTED this 9<sup>th</sup> day of April 2014.
